PETITION FOR REVIVAL UNDER 37 CFR §1.137(b)

Box PCT

Attn: PCT LEGAL OFFICE

Assistant Commissioner for Patents

Washington, D.C. 20231

Dear Sir:

Please consider this a Petition for Revival of Abandoned Application under 37 CFR §1.137(b). The abandonment of PCT/IB2002/005253 occurred after a failure to file the U.S. National Stage PCT Application by 9 June 2005, which is 30 months from the priority date of 9 December 2002. The abandonment and the entire delay from 9 June 2005, until the filing of this petition and the U.S. National Stage application was unintentional. Applicant recently went through a personnel change that resulted in new personnel manually going through each file to determine the status of pending matters, at which time it was discovered that the national stage inadvertently was not filed.

We include all documents required under 35 U.S.C. 371 for filing a National Stage Application. A petition fee in the amount of \$750.00 as set forth in 37 CFR §1.17(m) is included.

If a telephone conference would be helpful in resolving any issues concerning this communication, please contact Applicant's primary attorney-of record, Douglas P. Mueller (Reg. No. 30,300), at (612) 455-3804

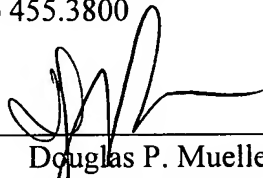

Please charge any additional fees or credit overpayment to Deposit Account No. 50-3478.

Respectfully submitted,

Hamre, Schumann, Mueller & Larson, P.C.
